Everyone I thought I can count on  
Has let me die  
Everyone I thought I could lean on  
Has made me cry

Every time I close my eyes  
There's nothing there  
Feeling empty is all I have left  
There's nothing else to bare

And I realize that I've lost my mind  
And I realize that I am the lie  
It's over, my time to shine  
I'm already dead, so why can't I die?

Everything I thought I could see  
Has disappeared  
Everything I thought I could be  
Has been drowned by fear

Somehow it seems all I can do  
Is sit and stare  
Somehow nothing good seems to last  
Or was it ever there?

And I realize that I've lost my mind  
And I realize that I am the lie  
It's over, my time to shine  
I'm already dead, so why can't I die?  
Why can't I die?

Somehow it seems all I can do  
Is sit and stare  
Somehow nothing good seems to last

And I realize that I've lost my mind  
And I realize that I am the lie  
It's over, my time to shine  
I'm already dead, so why can't I?

Realize, that I've lost my mind  
I'm already dead, so why can't I die?
