Are you busy?
Can we meet?
'Cause I feel you
When I breathe
Will you tell me
Should I love you?
Can I save you?
Can I touch you?

And my visions are undeniable
And the words you speak are so undefyable
You're a drug, you're just so incomparable
And you're the only thing I can do
I'm see through

Are you lonely?
Can't you see
That you love me in my dreams?
Will you touch me
When I say to you
That I love you?
I'd burn in Hell for you

And my visions are undeniable
And the words you speak are so undefyable
You're a drug, you're just so incomparable
And you're the only thing I can do
I'm see through

Are you busy?
Can we hum?
'Cause I know you are the one
Will you tell me
Can I love you?
Can I save you?
Can I touch you?

And my visions are undeniable
And the words you speak are so undefyable
You're a drug, you're just so incomparable
And you're the only thing I can do
I'm see through

And my visions are undeniable
So incomparable
Undeniable
I'm see through
