You smoke me like a cigarette
I was burned, I was cast aside
You knew what you couldn't get
So you settled for my pride
But it's alright
It's cool, baby, tonight
When push come to shove
Ooh, baby, you gave me enough
And I'll pay when the price is right
But you can't put a price on love

Now you can fly like you'd never fall
What you touch, baby, turns to gold
And you can talk till you said it all
It's just the greatest story every told

Right down the line
Ooh, baby, it's fine
When push come to shove
Ooh, baby, you gave me enough
And I'll pay when the price is right
But you can't put a price on love

Yes, it's alright
It's cool, baby, tonight
When push come to shove
Ooh, baby, you gave me enough
And I'll pay when the price is right
But you can't put a price on love

Now you can give what you wanna give
How'd one consider that you might be lying
You live the life that you wanna live
But it's deeper when it's love you're fighting
And I'll pay when the price is right
But you can't put a price on love

Make up your mind
Ooh, maybe it's time
When push come to shove
Ooh, baby, you gave me enough

And I'll pay when the price is right
But you can't put a price on love
Yes, I will pray for another night
But you can't put a price on love
