You are an angel, angel divine
You're sent from heaven
You're really mine
Oh darling, oh darling
Oh my darling Lorraine

Oh when you kiss me
I was meant to be
You're sent from heaven
My destiny
Oh darling, oh darling
Oh my darling Lorraine

Please never leave me
Please never go
I love you darling
I'd miss you so

You're my inspiration
My dreams come true
If you ever leave me darling Lorraine
Oh what will I do

You are an angel, angel divine
You're sent from heaven
You're really mine
Oh darling, oh darling
Oh my darling Lorraine
