Sitting down looking at some photographs,
It brings my memory, to the last times I saw you.
Searching for the best words swept in love,
My body's filled with those, yet it's empty within.

Can you hear me... ?

I've never felt so weak,
I've never felt so sad,
I've never felt so lost,
I've never felt so robbed and empty inside.
I'm facedown on the floor,
Days, weeks, will go by,
But I don't feel like getting up at all.

Life goes on, Yes I know, But it's hard to cope.
You're forever gone, it burns through my soul.
How I pray that you heard when I spoke to you.
I told you that I love you, and I always will.

This song's for you...

I've never felt so weak,
I've never felt so sad,
I've never felt so lost,
I've never felt so robbed and empty inside.
I'm facedown on the floor,
Days, weeks, will go by,
But I don't feel like getting up at all.

Save the end 'til last. [x3]
Save the end 'til last. [x3]

I promise you...

I've never felt so weak,
I've never felt so sad,
I've never felt so robbed and empty inside.
I'm facedown on the floor,
You want me to be strong,
So I guess I have to get up after all.
