

## The Knockouts "Scars Of Gratitude"

I haven't suffered much,  
But now in times like these,  
You turn your back and someone you love is dead.  
My blood turned to ice,  
My legs start to shake,  
Heart collapse at the conversations end.

You were my guide to better times.

I thank you girl,  
For supporting me at times,  
Much harder than this life,  
I couldn't have done it without you.  
Maybe we'll go,  
Different ways from here,  
There's memories to save,  
'Cuz I'll never forget you.

Time's running like a train,  
Fast and never stops,  
You have to hold on hard and wish for luck.  
They say it heals your wounds,  
Sometimes you did too,  
On times when I was down, you made me smile.

You were my guide to better times.

I thank you girl,  
For supporting me at times,  
Much harder than this life,  
I couldn't have done it without you.  
Maybe we'll go,  
Different ways from here,  
There's memories to save,  
'Cuz I'll never forget you.

My scars will tell me where I've been,  
They tell me where I am,  
Will tell me where I'll be.  
My scars will tell me who I've been,  
They tell me who I am,  
Will tell me who I'll be!
