She leads a lonely life
She leads a lonely life When she woke up late in the
morning light
And the day had just begun
She opened up her eyes and thought
Oh what a morning
It's not a day for work
It's a day for catching tan
Just laying on the beach and having fun
She's going to get you
All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby
All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby
All that she wants - all that she wants
So if you are in sight and the day is right
She's the hunter you're the fox
The gentle voice that talks to you won't talk forever
It is a night for passion
But the morning means goodbye
Beware of what is flashing in her eyes
She's going to get you
All that she wants...
