She don't know who she is  
Oh I can take her anywhere  
Do whatever comes naturally to you  
You know she just don't care  
You know she just don't care

Because I am always where I need to be  
And I always thought I would end up  
With you, eventually  
Do dodo do do do do...

Now I see her again  
I asked to be a hummingbird  
Whisper words in her ear  
Oh now you know I just don't care  
You know she just don't care

Because I am always where I need to be  
And I always thought I would end up  
With you, eventually  
Do dodo do do do do...

Say!

I'm a man, I'm a man, oh  
I'm a man on the scene  
I'm a man I can be so obscene because I  
Always think that I know, how to be  
But I always thought I would end up with you eventually

Do do-do do do do do...

Say!

I'm a man, I'm a man, oh  
I'm a man on the scene  
I'm a man, I'm a man  
I can be so obscene
