We had so much fun  
She gave me an eskimo kiss  
We put our records on  
And set sail towards the sun  
Ohh, it's so much fun

She's like the rose without a thorn  
She's like the sun flower that  
Never looks back at the sun  
And she sees me running  
She's like the diamond in the rough  
She's like the first girl on this earth  
That you wanted to touch  
And she sees me running

We went back to her place  
A thought said I had the wrong face  
I put another one on  
We set sail as the night gets long  
Ohh, it's so much fun

She's like the rose without a thorn  
She's like the sun flower that never looks back at the  
sun  
And she sees me running  
She's like the diamond in the rough  
She's like the first girl on this earth that you wanted to  
touch  
And she's touching... touch

Oh, lonely bones  
Well, I'm coming the sun  
And our lives have just begun  
With our lonely bones  
Well, I'm coming through the sun  
And our lives had just begun

And it goes,

La la la la la  
La la la la la

La la la la la

And it goes,

La la la la la

Did you ever wonder why  
This old world will make you cry?

And it goes,

La la la la la

Did you ever wonder why  
This old world will make you cry?
