Graciously, she sleeps
Walks alone on a lonely beat
She slips, falls into it all
And I wish I bite my lip and call her away
From you my little one
Fyou my little one

Don't come too close
You don't wanna see my ghost
Your turn but I'm betrayed
By you my sweetheart
Don't you think that you went too far?
Do you want to see my heart bleed?
For you, you and him
Him and you you know my heart bleeds

All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the streets
Oh we're gonna steal steal your skies
All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the streets
Oh we're gonna steal your...

I'm sorry
That I let you go
I let you down, I let you down my dear

I always seem to play these games with you my dear
I always, I always...

All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the streets
Oh we're gonna steal steal your skies

All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the streets
Oh we're gonna steal steal your skies
Oh my Juliet, I'll never betray you my love
Oh my Juliet, I'll never I'll never betray you

Woah woaaaaaoooooooooaoaooo
Woah woaaaaaoooooooooaoaooo
Woah woaaaaaoooooooooaoaooo
Woah woaaaaaoooooooooaoaooo

Don't come too close
You don't wanna see my ghost
Your turn but I'm betrayed
By you my sweetheart
