In their eyes is the place that you finally discovered
That you love it here, you've got to stay
On the bottom of the rock, an island
On which you find you love, then you twitch
You felt that itch in your pettycoat
Your pretty pretty pettycoat

And then you smiled he got wild
You didn't understand that there's money to be made
Beauty is a card that must get played
By organizations

And ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out
And ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out

The world can be a very big place
So be yourself don't get out of place
Love your man and love him twice
Go to Hollywood and pay the price
Oh go to Hollywood

And don't be a star, it's such a drag
Take care of yourself, don't begin to lag
It's a hard life to live, so live it well
I'll be your friend, and not in pretend
I know you girl
In all situations

But ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out
And ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out

Pretty pretty pretty pretty pretty pretty pretty pretty
pretty
Pretty pretty pretty petty coat

Pretty pretty pretty pretty pretty pretty pretty pretty
pretty
Pretty pretty pretty pretty pretty pretty pretty petty coat
In all situations

But ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out
And ooh la, she was such a good girl to me
And ooh la, the world just chewed her up, and spat her
out
