Do you want to go to the seaside?  
I'm not trying to say that everybody wants to go  
I fell in love at the seaside  
I handled my charm with time and sleight of hand

Do you want to go to the seaside?  
I'm not trying to say that everybody wants to go  
I fell in love at the seaside  
She handled her charm with time and sleight of hand,  
and oh

But I'm just trying to love you  
Any kind of way  
But I find it hard to love you girl  
When you're far away  
Away

Do you want to go to the seaside?  
I'm not trying to say that everybody wants to go  
But I fell in love on the seaside  
On the seaside  
In the seaside
