Yes I like a stormy weather  
From my window sill  
You ain't, yeah, you ain't so clever  
You got it all made up

But it feels like love, love, love  
Oh yes, it feels like touch, touch, touch

I sit around to pass the time  
I try to get it out of my mind  
And I live in a world oh so small  
That I can get around at all

And it feels like love, love, love  
Oh yes, it feels like touch, touch, touch

What did I say?  
What did I say?  
What did I say?  
Oh, I didn't mean it

What did I do  
(Oh to hurt you?)?  
Oh, I didn't mean it  
Oh, oh, I didn't mean it!

I'm not saying it's all made up  
It's people there, to comb your hair  
But I'll seek out another song  
Won't kill that, so beautiful

So it feels like love, love, love  
Oh yes, it feels like touch, touch, touch

What did I say?  
What did I say?  
What did I say?  
Oh, I didn't mean it

What did I do  
Or take of you?  
What did I do?

Oh, I didn't mean it  
Oh, oh, I didn't mean it!

And it feels like love, love, love,  
Yes, it feels like touch, touch, touch... [x4]
