I look out my window
just to see her arrive
but she'll be gone
just as soon as I open my eyes
just as soon as I open my eyes

and is this a dream
that I'm having
oh, it all seems so real
cause she'll be gone
just as soon as I open my eyes
just as soon as I open my eyes

and I gave her so very much
and I never never give enough
this love is turning me into
something that I'm not
and I got my problems, yes
oh, I've got to be the best
this jealousy is turning me upside down

I look out my window
