"One slice for you, John Doe.
Another for your wife.
As long as you don't ever question us,
We'll leave you free to get on with your life.
'Cos it's so easy now you don't need to wonder.
You'll be happy you're not another number.
It's so easy now you don't need to wonder.
You'll be happy you're not a number."

But I lie awake every night, worried I'm just not myself,
Like a good dog, I do everything that I am told.
But a bad dog couldn't bite the hand that feeds him
when,
There's a stronger hand that holds a gun up to his
head.
This ain't freedom, everything is done for you.
This ain't freedom, you live in the land that's brave and
true.
This ain't freedom, everything is just the way you want.
This ain't freedom, and you don't have a voice to say
we're wrong.

"Widescreen for you, John Doe.
A fridge-freezer for your wife.
As long as you don't ever question us,
We'll leave you free to get on with your life.
'Cos it's so easy now you don't need to wonder.
You'll be happy you're not another number.
It's so easy now you don't need to wonder.
You'll be happy you're not a number."

This ain't freedom, you live in the land that's brave and
