(V1)

We come before you, and lift our voices  
For you are faithful and true  
And there is no one who even comes close  
Yeah there is no one like you

(PC)

When it comes to you Lord I can't get enough  
I want to give you my love  
Because you are the real thing

(CH)

Lift Him up  
Lift Him up  
Lift Him up  
Lifting Jesus higher!

(V2)

I can't get over the way you love me  
I can't get over your love  
You give me life Lord  
Life in all it's fullness  
More than imagined by far
