(V1)

Going home on a bus
I met a man, we began to discuss
He'd been married to his girl for a while
'Hey there Dickie, How's your chickie?'
He looked real sad at me and said
She'd left him all alone with a bone
And his little dog Fred
Seems she found love
In another mans bed and said
'Try to understand, that this wasn't planned
I just have to obey what feels right for today'

(CH)

Yeah I know what I believe in
And if my world falls down
Jesus still remains

(V2)

Going out Friday night
With a crowd we were loud
Looked out of sight
We'd been good friends for a little while now
'Hey there Johnny, what's so funny?'
Laughed as he began to pour
Another beer, with a cheer
He would skull a few more
Said he loved life as he threw up on the floor
'I just wanna be free to enjoy things for me yeah,
Try to have as much fun as my life comes undone.'

(CH2)

Yeah, I know what I believe in
And if my world falls down
Jesus still remains
Yeah, He's someone who I'm trusting
I'd never leave Him now,
'Cause he will never change

(BRIDGE)

See us all sinking down and our heads spinning 'round

Looking for solid ground for a light to surround
But there's a truth to be found, there's a beckoning
sound
I believe, I believe, I believe
