Thinking Of You ringtone on your mobile phone  
I'm thinking of you tonight  
If this is wrong then I don't know what's right  
Your thinking of me  
I'm thinking of you  
You're driving me crazy with these things you do

If you only knew  
I'm thinking of you

You're always on my mind  
A love like ours is hard to find  
I'll always be with you  
It's true  
I'm thinking of you

The way that you smile and sing  
Kills all my pain and all the suffering  
Words cannot describe the way you make me feel  
You make my life real

If you only knew  
I'm thinking of you

You're always on my mind  
A love like ours is hard to find  
I'll always be with you  
It's true  
I'm thinking of you

If you only knew the way you changed my life  
Its so much better  
If you only knew the way I feel inside when we're  
together

If you only knew,  
I'm thinking of you

You're always on my mind  
A love like ours is hard to find  
I'll always be with you  
It's true

I'm thinking of you

You're always on my mind  
A love like ours is hard to find  
I'll always be with you  
It's true  
I'm thinking of you
