Saw a perfect sunset, it made me misty
That's as close to tears as I'm gonna get
Spent a lot a years chasin' down ol' feelin's
Just to find ol' feelin's to forget

Got a four leaf clover in my pocket
And there's sunshine pourin' down like rain
I had a bad idea but I dropped it
Let there be no more cryin' days

Well, I took a picture of the ceilin'
Got myself Michael Landon low
Finally learned how to pay attention
Now, you did brush the canvas of my soul

Got a four leaf clover in my pocket
And there's sunshine pourin' down like rain
I had a bad idea but I dropped it
Let there be no more cryin' days

A new set of wings
A new pair of glasses
Changin' the view
Sweepin' up the ashes
Yeah, yeah I

Got a four leaf clover in my pocket
And there's sunshine pourin' down like rain
I had a bad idea but I dropped it
Let there be no more cryin' days

Let there be no more cryin' days
I'm gonna cry no more, hmm, hmm
