You know when all the other girls
Pass me on the street
It give me my cue
'Cause it make me realize
Right there and then darlin'
That I don't want nobody but you
That's right darlin' uuh uuh... I say...

Nobody nobody nobody
Wouahou!
Nobody but you nobody but you
You're the one
Yeah yeah
Can't you see
I need your love baby
Nobody but you

You know you know when I'm all alone
I need somebody
To go over there
There other man
Oh darlin' nobody but you
Nobody but you
You're my only one mamma too
Can't you see
I need your love baby
Nobody but you

Get loose now
Come on... come on... come on... wouahou!
Come on come on come on
You're the one
Who treat me for fun

I wanna say I I I...
I need your love baby
I need it so bad
To make me so mad
Baby baby baby... wouahou!
Come on... come on... come on... wouahou!
Come on come on come on come on
You're the one

Who treat me for fun
