I'm sorry that you feel like you've got to get wasted  
To make it through your day.  
And it's not my fault,  
And it's not your fault,  
That it didn't work out.  
When we tried to play.  
What else did you want me to do?  
I'm sick of being sorry for you  
Any more.

Where did daddy's little girl go?  
Why's she putting on a big show?  
Why did daddy's little girl run away  
To a marriage on minimum wage?  
To a marriage on minimum wage.

I don't know what I'd do without you,  
Except be a happier guy.  
And I don't know what I'd do without you,  
Except find the love of my life.

Where did daddy's little girl go?  
Why's she putting on a big show?  
Why did daddy's little girl run away  
To a marriage on minimum wage?  
To a marriage on minimum wage.  
To a marriage on minimum wage.

She's goin' downtown today,  
She's got the pen on the paper, say,  
She's inspirational, even though she's lame.  
She's a mean girl and she got paid.

Oh baby, I'll try now,  
Don't follow me  
'Cause I'll be back there someday soon.  
And I know you'll be watching me on TV,  
'Cause that's the way things work out

Where did daddy's little girl go?  
Why's she putting on a big show?

Why did daddy's little girl run away  
To a marriage on minimum wage?  
To a marriage on minimum wage.  
To a marriage on minimum wage.
