I know you've been confused  
About what kisses mean.  
I you're know fine with it,  
Did it mean more to me?

Dear Hollywood,  
I'm warning you  
The girl next door is on her way.  
I never would give enough,  
And I'm just not enough to make her wanna stay.  
Dear Hollywood.

We've seen each other now,  
Somehow it seemed more real.  
I know the deed was done,  
Forgot about the meal.

Dear Hollywood,  
I'm warning you  
The girl next door is on her way.  
I never would give enough  
And I'm just not enough to make her wanna stay  
Dear Hollywood,  
Dear Hollywood,  
Dear Hollywood.

She's my model girl.  
I can't choose where she lives.  
Oh, she's my model girl.  
I can't choose where she lives.  
She's my model girl.  
(Dear Hollywood.)  
I can't choose where she lives.  
(Dear Hollywood.)  
She's my model girl.
