My mate Jeff  
I've known him for years  
He loves his Madonna  
and his Britney Spears  
But then one day  
I noticed a change  
We went all moody  
and he didn't look the same  
His eyes looked black  
I said have you got a shiner?  
When I looked closer  
he were wearing eyeliner  
He'd straightened his hair  
and combed it over his eyes  
And all at once I realised...

Oh, no  
He's turned Emo  
He's dressing like a goth  
And he's let himself go  
He used to be listening to Simply Red  
now he's listening to Fall Out Boy instead

Well he weren't at the Labour Club  
for our regular line dance  
He just stayed at home  
and listened to My Chemical Romance  
I said you're not an emo  
lets forget this misdemeanour  
Come wi me and see  
Cliff Richard at the MEN arena  
He said "I'm feeling all emotional  
I don't know why"  
I said its those tight trousers  
that are making you cry  
Come an have a pint a mild  
And you'll feel fine  
And listen to Abba  
Not Bullet for My Valentine

Oh, no  
He's turned Emo

He's dressing like a goth  
And he's let himself go  
He used to be listening to Simply Red  
now he's listening to Fall Out Boy instead

Well I saw him yesterday  
When I were walking to tha station  
I could tell from a distance  
he were wearing foundation  
He paints his fingernails black  
An It looks quite poor  
It looks like he's caught his fingers  
in a car door  
He were wearing a man bag  
that said 'Jimmy Eat World'  
I said thas wants fert eat  
a chippy tea  
ya great big blummin girl  
He said "I just want my emotions to be exposed"  
Emotions? Thas from Lancashire, thas not got none of  
those!

Oh, no  
He's turned Emo  
He's dressing like a goth  
And he's let himself go  
He used to be listening to Simply Red  
now he's listening to Fall Out Boy instead
