Well, the last time I said "I love you,"  
I really didn't mean it at all.  
It was just a rule.  
And it's been so long since I've felt true.  
It's all just stuff that girl, I'm so confused.

It's been so long since I've felt real.  
I forgot how to recognize.  
The meaning,  
The meaning,  
And what I mean when I look in through her eyes.

So three days here and three days there,  
??

I walk down streets  
Counting maple leaves, it's all ??  
Like a man waking up from being comatose,  
I took my real first breath of air.  
I stretched out my legs and I wiggled my toes.  
I thank God I didn't even care.  
I didn't mean it,  
I didn't mean it at all.

Oh, the last time I said "I love you,"  
I didn't mean it,  
I didn't mean it at all.  
And though I may never see you again,  
We'll always have just what we had.  
The end Armageddon.  
Armageddon the end.  
Even the bad wasn't all that bad.  
I didn't mean it,  
I didn't mean it at all.
