I've had some idea
Some things would work out.
I guess things have worked out,
At least so far.

Time moves by,
Just been waiting
Or more like waiting
News I thought far.

Something isn't right,
It just don't make sense.
Nothing feels for real,
I'm tired of past tense.

Yesterday feels like a year,
And it looks like I'm still standing here.
I hope I don't sound insincere at all.

What are you taking me for?
Don't you know by now?
I've been playing.
The things you've been saying
Don't get me down.

Something isn't right,
It's all just pretense.
Nothing feels for real,
I'm tired of past tense.

Yesterday feels like a year,
And it looks like I'm still standing here.
I hope I don't sound insincere at all.

Don't you know about what I've been trying since my
birth?
You think that your dollar signs can make me what I'm
worth.

Yesterday feels like a year,
And it looks like I'm still standing here.

I hope I don't sound insincere at all.

Yesterday feels like a year,
And I'm glad that I'm still standing here.
I hope I don't sound insincere.
