Girl, hey what's that you're doin'?
Girl, girl, what's that you're doin'?
You've got to show me the steps to it
Somehow I'm gonna learn how to do it
Do the jerk, hey
Do the jerk, girl, come on and work, hey
Do the jerk

Girl, how do you move your hips so fine?
Girl (come on time)
Work it out, right on time
Everybodys got the beat, hey look at me
Doin' the jerk, yeah, now watch me work
Girl, now do the jerk, hey, do the jerk

Go on and soul, soul, soul, soul
Soul everybody now, soul, soul, soul
You don't know how to do it?
Come on, gonna teach it to ya'
I'm doin the jerk, yeah
Watch me work, girl, now
Do the jerk, come on time
Do the jerk, let me see you work
Do the jerk, everbody
Do the jerk, come on now
Do the jerk, with alittle bit of soul
Do the jerk, show em girl
Do the jerk, work, work, work,
Do the jerk, come on girl
Do the jerk, listen everybody
Do the jerk, I like the way you work
Do the jerk, with soul now, girl
Do the jerk, A-hey!
