Last night I thought I saw you staring  
Staring at the sky  
Last night I thought I saw you wishing  
For your dreams to die  
Last night I thought I heard you crying  
Crying all your tears  
Last night I thought I saw your shadow  
As you disappeared

Do you believe in angels?  
Do you believe in blood and wine?  
Do you believe in broken hearts?  
Or is this something  
You've never heard of?  
Do you believe it's a better world?  
Do you believe that no one cries?  
Do you believe in bitter tears?  
Or is this something  
You've never wanted to believe in?

Last night I thought I saw you staring  
Staring at the sky  
Last night I thought I saw you wishing  
For your dreams to die  
Last night I thought I heard you screaming  
Screaming out your heart  
Last night I saw your shadow  
Tear you apart

Do you believe in angels?  
Do you believe in god-like eyes?  
Do you believe in thornless roses?  
Or is this something  
You've never heard of?  
Do you believe in heaven?  
Do you believe you'll never die?  
Do you believe I've never deceived you?  
Or is this something  
You've always wanted to believe in?

Be careful what you're wishing for  
Upon your falling star

I just might be the angel  
That you're looking for

Do you believe in angels
