And do you, do you spend all your money in just one night?

It's just alright, it's right.

Do you wake up with somebody that's not your somebody?

Alright, alright, alright.

Do you tell them this but they don't do that?

Can you do this for me while I know I can't?

I've got better things to do than listen to you

And they sound like a lot, but got no sense of truth.

Out of sight, out of mind,

Living your life ain't no cry, that's why

I have a good time making bad decisions,

You can tell me I'm wrong, but I still wouldn't miss 'em.

Do you, do you get 'em in when you should take 'em out?

It's alright, it's alright.

Do you, do you tell 'em a lie, cause the truth it's all mixed up?

It's alright, alright, alright.

Do you, do you yes I can, but then no, you don't

And you do this firmly, I don't know I won't,

I got better things to do then to listen to you,

And they sound like a lot, they got no sense of truth.

Out of sight, out of mind,

Living your life ain't no cry, that's why

I have a good time making bad decisions,

You can tell me I'm wrong, but I still would miss 'em.

I have a good time making bad decisions,

You can tell me I'm wrong, but I still would miss 'em.

Stretching bars and crushing cars,

Everything I do I take too far.

Just get by and getting high,

I'm gonna have some fun before I...

I have a good time making bad decisions,  
You can tell me I'm wrong, but I still would miss 'em.  
I have a good time making bad decisions,  
You can tell me I'm wrong, but I still would miss 'em.  
Let's have a good time, all the time,  
Making bad decisions.
