Hhrrrrahhhhh, yeah!

Get down to the level out on the street,  
I'm thinkin' 'bout it, so I can't eat, yeah!  
Walking tall, don't you run away and hide  
Bare bones are lashing out tonight!

Raw dog to ride!  
Raw dog to ride!  
Raw dog tonight, yeah!

Move it along, so don't you ask if I stare,  
Just staring at chicks to get my every way  
We'll scratch and itch all over the floor,  
See, they don't need me anymore!

Treat me on your knees,  
Show me where to lay,  
When I'm rolling over again!

Don't bite the hand that feeds,  
For taking what you gave  
I'm over running now, yeah!

Well, I'm back to get just what I need,  
Hightail my ass out on the city!  
So far when another one comes around,  
Now I've got my picture in every town.

Treat me on your knees,  
Show me where to lay,  
Well I'm rolling over again!

Don't bite the hand that feeds,  
For taking what you gave  
Well, I'm over running now, yeah!

Raw dog to ride!  
Raw dog to ride!  
Raw dog tonight, yeah!

Raw dog to ride!

Raw dog to ride!  
Raw dog tonight, yeah!

Yeah, whooo!  
Yeah!
