I am here for you, if you could only care
It may be the end, but, baby, I won't stop there.
I know all your deeds, I know your pretty smile,
I've seen it all, it made me feel like a child.

Come on, my lover, you were so true.
This love, it ain't the way I know,
You are the one, you are the one.
This love it ain't the way I know,
You are the one, you are the one.

We shared all our dreams,
We lived well, lived in bed,
Kissing your lips and hold down on your hair.

Moving back I swear, the one thing I know it's true
I cannot live without you.

Come on, my lover, you were so true.
This love, it ain't the way I know,
You are the one, you are the one.
This love it ain't the way I know,
You are the one, you are the one.

I know your tease, baby,
I know your tease, baby.

Come on, my lover, you were so true,
Goodbye, my lover, you were so true.
This love, it ain't the way I know,
You are the one, you are the one.
This love it ain't the way I know,
You are the one, you are the one.
