Oeh Tell me if i didnt get to you
cause it seems like you won't come through
You tryin to make excuses for why you hanging out

When i call your phonne al the time
But you dont wanna pay me no mind
but its alright
Cause We break up then we make up yeah
We bove we play are parts
But If you really wanna be with me
then dont play with my heart
if you say this love is strong
Baby why dont you hold on
you know sky is a limit so dont you forget it
As long if you here boy i never gonna leave you alone
Anything i would do
Anything i would do
Anything i would do
Anything you want me to
Anything i would do
Anything i would do
Anything i would do
Anything i would do
Anything i would do
Anything yes i do

Did you mean it when you say you would do anything

and now you looking for the wet bring
O want you want for the bigger and the better things
One fight at another i got my second one

You got you one web and your one spot
keep it thight girl i know i make it hot
when they waitin on the welfing all you know is squaud

Tell them bitchess that they stay out of your
