Ooh oh oh oh
Yeah yeah yeah yeah yeah yeah
Baby
ooh oh

[Verse 1]

I thought that I was over you
and the feelings that I had were through
Tell me how while looking at me so shook
I dont know wot to do
And now I've got myself another man
And I know we do the best I can
Tell me how while looking at me so shook
I wanna be back wid you

[Bridge]

'cause you looking good (yeah yeah)
and you look so fly (so fly)
If you asked I would
take you home tonight
but i got this dude (i got this dude)
and it just aint cool (and it just aint cool)
Im so confused
and now I realised that I

[Chorus]

I still wanna rock wid ya
still wanna try it wid ya
still wanna life wid ya
Now I realise that I
still wanna sex wid ya
it's still the best wid ya
After everything we've been through I still

[Verse 2]

Got me thinkin bout the things you did
Even homegirl that you cheated with
But I just dont see any of those things now when I look
at you
but thats just drama from the past
I think you're better now so we can last
'cause I just dont see any of those things

now what are we gonna do

[Bridge]

'cause you looking good (you lookin real good)
and you look so fly (and your dressed so fly)
If you asked I would (yeah)
take you home tonight
but i got this dude (i got this dude)
and it just aint cool (and it just aint cool)
Im so confused (oh)
and now I realised that I

[Chorus]

I still wanna rock wid ya
still wanna try it wid ya (wanna try it wid ya)
still wanna life wid ya
Now I realise that I
still wanna sex wid ya (woah)
it's still the best wid ya (its the best wid ya) (yeah)
after everything we've been through I still
Still wanna rock wid ya (woo woo woo woo)
still wanna try it wid ya (I still wanna try it)
still wanna life wid ya (ooh)
Now I realise that I (I realised that I)
still wanna sex wid ya (that I wanna have sex wid ya)
it's still the best wid ya (its still)
After everything we've been through I still

I aint gonna stop myself from thinking about you baby
and I aint gonna lose again 'cause I lost once baby
'cause I've finally figured out
what its supposed to be
so let me make my move, drop this dude
and get you back wid me

[Chorus]

I still wanna rock wid ya
still wanna try it wid ya (still wanna rock wid ya)
still wanna life wid ya
Now I realise that I
still wanna sex wid ya (sex wid ya)
it's still the best wid ya (ooh oh yeah)
After everything we've been through I still
I still wanna rock wid ya (still wanna roll wid ya)
still wanna try it wid ya (try to grow old wid ya)
still wanna life wid ya (ooh ooh)
Now I realise that I (still wanna sex wid ya)
still wanna sex wid ya (boy its the best wid ya)
it's still the best wid ya (after everything)
After everything we've been through I still
