Verse 1:

You keep your score in life.  
You love your natural spirit.  
You rock when you want, you dance when you want.  
It's your time.  
Shine on like a dime.  
Ohoooooo.

Chorus:

Win your heart you rock the house.  
You know you're it to show your spirit.  
Score go fight now.  
Leader in your book.  
Oh shine all the time.

Verse 2:

Go ahead now.  
It's your time to get your try.  
Fly on it's time.  
You know it could get your valentine.  
Now go ahead out there score a bunch of times.  
Don't lie.  
Oh now.  
Ohoooooo.

Chorus:

Win your heart you rock the house.  
You know you're it to show your spirit.  
Score go fight now.  
Leader in your book.  
Oh shine all the time.
