Verse 1:

Every time I see you, I think of all the good times. You laugh and you smile how it brings peace to my heart at friendship.

Chorus:

You take my hand and you save it. You know we're friends. You cheer if I get a hit. Oh yeah. It's friendship.

Verse 2:

I love you as the goof of the world, you know. We rock the pool, you know. We rock the dance floor, it's cool you know. Oh.

Chorus:

You take my hand and you save it. You know we're friends. You cheer if I get a hit. Oh yeah. It's friendship.

Bridge:

I love you as the goof of the world, you know. We rock the pool, you know. We rock the dance floor, it's cool you know. Oh yeah!

Chorus:

You take my hand and you save it. You know we're friends you cheer if I get a hit. Oh yeah. It's friendship.
