My love, my love

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e

Baby, you're my shooting star
Ride with me and I'll take you far
Explore the world, and back around
You lift me up, and you hold me down (you hold the crown)
And you make this team
There's no couple like this, king & queen
There's no other couple like, you & me
You're the girl of my dreams, my everything
I love this feelin, your love is healin
I need it, I breathe it
No way I'd ever leave it
I'm so into you, don't what I'd do
Your love is so true
It's just me & my boo

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e

I never thought I'd find another love like this
I'll never forget the first time we kissed (we kissed)
Your body against mine
The touch of your skin, your lips
Such a beautiful kiss (such a beautiful kiss)

My l-o-v-e, she elevate me
She fly & so free, was blind now I see

And without her, now what would I be
Not what I am, but I'd still be a g
I'd still be hype, I'd still shine bright
But who'd be there to hold me so tight
Who'd be there when it's lonely at night
My wife, so right, the love of my life

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e

We're so picture perfect, I can't imagine
My life without you (l-o-v-e)
It's like I'm floatin on air, whenever you're here
Baby come with me and I'll take you there

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e
L-o-v-e, l-o-v-e
L-o-v-e, l-o-v-e

She's so sexy, so cool
She's the baddest girl I seen
I'm wonderin why
I only see her in my dreams
The love of my life,
She's the only one for me
My l-o-v-e, oh my l-o-v-e
