Oh my goodness!
Hardonz fuck me up!
If you want to touch it, touch it, to myself!
And thats-a so good!
Oh no, this is very very bad
It makes me huge!
And now i have to go and masturbate!

Oh my goodness!
Hardonz fuck me up!
I said if you want to touch it, touch it, to myself!
And thats-a so good!
Oh no, this is very very bad
It makes me huge!
And now i have to go and masturbate!

The rest of us together
Go very fastly forward!
All over myself, all over myself
I came, I came, all over myself!
All over myself, all over myself
I came, I came, all over myself!
