discrimination  
across the nation about...  
FRIENDS!  
I might be a puppy dog  
I might be a glitter frog  
I might be a big fat hog  
But I'm not a weirdo  
No, I'm not a weirdo (x2)

I might have a giant head  
I might wanna fuck the dead  
I might be a girl instead  
But I'm not a weirdo  
No I'm not a weirdo (x2)

you both might look at me and say,  
what's a matter will you look who you are?  
pretty wierd for a guy who has  
all the white chess pieces in his hands...

I might like a pee in the park  
I might be a guy named Mark (who's a weirdo)  
I might like a pepper poo star  
But I'm not a weirdo  
No I'm not a weirdo (x2)
