Hey girl, won't you dance, won't you dance with me?
Hey girl, let's take a chance, let's take a chance on me.
'Cause I know I'm really not your type,
But if you go I'm gonna ask you on a dance tonight.

'Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance, dance with me?

Hey girl, won't you dance, won't you dance with me?
Hey girl, let's take a chance, let's take a chance on me.
'Cause I know I'm really not your type,
But if you go I'm gonna ask you on a dance tonight.

'Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance, dance with me?

'Cause I know I'm really not your type,
But if you go I'm gonna ask you on a dance tonight.

Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance?
Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance?
Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance?
Cause I'm dancin' the night alone,
And I need someone to hold,
So, girl won't you dance, dance with me?
