I'm not the most romantic guys,
No, I'm not the one she wants.
But now the night's here and the mood is right,
And the music has just begun.
You said you liked me just as a friend,
You never thought the other way.
Well I said there's nothing wrong with that,
But you never know what could change.

So won't you dance with me, dance with me,
And take my hand, and take a walk with me, walk with
me,
I think you're gonna be the one baby, one baby,
I gotta make you understand.

(One Two Three Four)
You went to go dance with your man,
I thought I'd never see you again.
The club was crowded and dark,
But just to my luck you looked at me, I asked for your
hand.

Now, I can't explain it, it's my timing and you know that
it's true.
But then I turned away I finally got to say, here it goes,

So won't you dance with me, dance with me,
And take my hand, and take a walk with me, walk with
me,
I think you're gonna be the one baby, one baby,
I gotta make you understand.

So won't you dance with me, dance with me,
And take my hand, and take a walk with me, walk with
me,
I think you're gonna be the one baby, one baby,
I gotta make you understand.

I'm not the most romantic guy,
No I'm not the on she wants.
But now the night's here and the mood is right,
And the music has just begun.

Now I can't explain it, it's my timing and you know that
it's true
But then I turned away I finally got to say, here it goes,

So won't you dance with me, dance with me,
And take my hand, and take a walk with me, walk with
me,
I think you're gonna be the one baby, one baby,
I gotta make you understand, that I'm seeing.

So won't you dance with me, dance with me,
And take my hand, and take a walk with me, walk with
me,
I think you're gonna be the one baby, one baby,
I gotta make you understand.
