I see you everyday,
And I think it's not ok,
We're not together tonight,
No it doesn't seem right now.

You and my stupid friends,
That hang around on the weekends.
Yeah I agree we need some alone time,
That will do us just right for us,
That I think you should know:

Mouth to mouth,
Mouth to mouth oh yeah.
I wanna be mouth to mouth, with you.
Mouth to mouth,
Mouth to mouth oh yeah.
I wanna be mouth to mouth, with you.

Got my first date today,
You said you'd meet me at the party.
Its 3:00 A.M. and you haven't arrived
Oh girls in sight, yeah.

I keep thinking of you,
And all the stupid tricks you put me through.
I think its time to go (something),
That will do us just right for us,
That I think you should know:

Mouth to mouth,
Mouth to mouth oh yeah.
I wanna be mouth to mouth, with you.
Mouth to mouth,
Mouth to mouth oh yeah.
I wanna be mouth to mouth, with you.

Mouth to mouth,
Mouth to mouth oh yeah.
I wanna be mouth to mouth, with you.
