It's a Saturday night but it doesn't feel right.
I should have never told that girl goodbye, goodbye,
goodbye.
Your body's out of sight, and you walked on by,
I'm going to give it one more chance, I'll try, I'll try, I'll
try.

I'll make you see that I'm your man,
Then I'll grab you by the hand,
Because tonight I'm going to run away with you.

But it's no surprise
You're off with other guys
I should have never told that girl goodbye, goodbye,
goodbye.

I'll make you see that I'm your man,
Then I'll grab you by your hand,
Because tonight I'm going to run away with you.

Run away, yeah do it girl run away.
Run away, yeah do it girl run, we're gonna to run, we're
gonna run.

It's a Saturday night but it doesn't feel right,
I should have never told that girl goodbye, goodbye,
goodbye.

I'll make you see that I'm your man,
Then I'll grab you by your hand,

'Cause tonight I'm gonna to run away,
Tonight I'm gonna to run away,
Tonight I'm gonna to run away with you.
