Let me tell you about this girl I know,
She is the coolest thing this town ever show.
Now she tells me she doesn't want me.

I try to think about it after long,
She always said I was (something)
But now she tells me it wasn't love (something)

I don't wanna know the reasons that you go,
Keep messin' with my heart, and its breaking at shows,
Yeah I don't wanna know why you keep slippin' away.

So, quit quit steppin' on my heart,
Just quit quit steppin' on my heart,
Just quit quit steppin' on my heart,
Steppin' on my heart, steppin' on my heart,
Yeah, you gotta quit it now.

Let me tell you about this girl I know,
(something)
But now she tells me she likes another guy.

I don't know why I ever thought she was cool,
So, no one would think I'm a fool.
So, I tell her don't worry about it.

I don't wanna know the reasons that you go,
Keep messin' with my heart, and its breaking at shows,
Yeah I don't wanna know why you always slip away.

So, quit quit steppin' on my heart,
Just quit quit steppin' on my heart,
Just quit quit steppin' on my heart,
Steppin' on my heart, stepping on my heart,
You gotta quit it now.

(Yeah, you gotta quit it now)

So, quit quit steppin' on my heart,
Just quit quit steppin' on my heart,
Just quit quit steppin' on my heart,

Steppin' on my heart, steppin' on my heart,
You gotta quit it now.
