If you're looking for a sunshine boy

Come with me I can give you some

We'll climb a rainbow ladder to the sky

Just you and I, we will fly

To the yellow ball of butter

Where the clouds are as fluffy as a parachute sail

In the Jelly Jungle

Of Orange Marmalade-lade-lade-lade-lade-lade-lade-lade-lade-lade-lade

There are tangerine dreams waiting for you

In Orange Marmalade-lade-lade-lade-lade-lade-lade-lade-lade-lade-lade

Take a trip on my pogo stick

Bounce up and down, do a trick

I'll play a beat on your pumpkin drum

And we'll have fun in the sun

We will always be together

Lick my hand forever and come out of the shade

To the Jelly Jungle

Of Orange Marmalade-lade-lade-lade-lade-lade-lade-lade-lade-lade-lade

There are tangerine dreams waiting for you

In Orange Marmalade-lade-lade-lade-lade-lade-lade-
lade-lade-lade

Carrot trumpets play

Violins grow like peaches in the sun all day

In the Jelly Jungle

Of Orange Marmalade-lade-lade-lade-lade-lade-lade-
lade-lade-lade

There are tangerine dreams waiting for you

In Orange Marmalade-lade-lade-lade-lade-lade-lade-
lade-lade-lade
