So you believe in what you call the best
The only magic world
The amazing dream in which you are living
And keep on listening to what you call the best
The one and only truth which makes you feel
So happy baby nothing else matters
If you'll always be the same
Because somewhere in some place
Madness is plotting against you
Don't worry if you know the final moral
(no, nobody will hurt you)

So you believe in what you call the best
The only magic world
The amazing dream in which you are living
And keep on trusting what they say
And keep on moving if they like
And free your mind today, please free your mind

There will always be
Someone who cares about your dreams
Get ready to satisfy every one of your
