Tonight I have not got the charm  
To stay trying to defend  
My plan really sorry to  
Be in a rush and misunderstood

The man smiling against the world  
As big as the lie he has got  
Come on Mr. don't be shy  
Come on tell me what you want

How much for a better life?  
How much for a freer way?  
Thank you gangsta Santa we don't want your  
golden gala invite

Something is coming tonight  
Little present for those who lie awake

Relax you won't notice it  
Relax you are used to it  
Keep on sleeping when we play  
Keep on laughing when we cry

Let us blast the way we like  
Dream on entertain your mind  
Disconnecting people we don't want your  
negotiation

Something is coming tonight  
Little present for those who lie awake  
Pleasant nice surprise  
Little present for those who want to rise

Let's go, no one could be richer  
Get ready for the plot against the plot  
Walking out the Master trap  
Let's go no one could be faster  
Get ready for the plot against the plot  
Walking out the Master trap

Wash out, it's enough for us

Dead loss, itâ€™s enough for us  
Disconnecting people we donâ€™t want your  
negotiation

Something is coming tonight  
Little present for those who lie awake  
Pleasant nice surprise  
Little present for those who want to rise

Letâ€™s go, no one could be richer  
Get ready for the plot against the plot  
Walking out the Master trap  
Letâ€™s go no one could be faster  
Get ready for the plot against the plot  
Walking out the Master trap

Letâ€™s go!
