

The Less "Say"

Say hello
Tell a joke and
Make a happy face
Say goodbye
Fake a smile and
Turn and walk away
You see my heart is breaking
New life is in the making
Who's going to say it?
Please say everything's fine
And I think you captured my mind
When you said
We're going to make it through
Where'd you go?
All I need's a little company
Turn the tide
Take my life and
Make me learn to breathe
I need you to breathe
I see my heart is waking
New life is in the making
Who's gonna say it?
