I'm waiting
Wind has blown away my breath
I'm gone, I'm gone
I'm staying
Though you're acting like I've left
I'm gone, I'm gone

In the crowd I'm drowning
No one's around me, eh
In your arms my whole world
Is falling away

My armor
Left in bottles on the floor
Can't hide anymore
My shadow
Some are darker than before
Can't see anymore

In the crowd I'm drowning
No one surrounds me, eh
Seeing blind
My whole world
Is falling away, hey

And I'm sorry that I've stopped your ways
But you can have me when you're on your way in
And I'm sorry that you feel this way
Sorry that you stopped to say
You couldn't stop to stay
You couldn't stop to stay
You couldn't stop to stay

I'm waiting
Fear is pulsing in my breath
I'm gone, I'm gone

In the crowd I'm drowning
No one's around me, eh
And it's lost, surrounding
I'm falling away, hey

And I'm sorry that I've stopped your ways
But you can have me when you're on your way in
And I'm sorry that you feel this way
Sorry that you stopped to say
You couldn't stop to stay
Oh, stop to stay
You couldn't stop to stay

You couldn't stop, no no
You couldn't stop, no no
You couldn't stop

And I'm sorry that I've stopped your ways
But you can have me when you're on your way in
And I'm sorry that you feel this way
Sorry that you stopped to say
You couldn't stop to stay
You couldn't stop to stay
You couldn't stop to stay

I'm waiting
I'm waiting
I'm waiting
I'm waiting

I'm waiting...
