Waiting alone in the darkness  
Racing for something  
Hoping it stays  
Watching the waves  
Watch as they break  
Leaving you nothing  
Waiting to wake

Lost in disarray  
Wakes that never fade  
And you walking on by  
You can't deny  
You're making no change  
Oh, you walking on by  
I couldn't speak  
'cause neither am I

Waiting alone in the darkness  
Racing for someone  
Hoping they stay  
Watching the days  
Watch as they fade  
Leaving you nothing  
Waiting to wake

Lost in disarray  
Waves that never break  
And you walking on by  
You can't deny  
You're making no change  
Oh, you walking on by  
I couldn't speak  
'cause neither am I

Break me or something  
'cause I'm fading away  
Am I waiting for nothing?  
Am I dead or awake  
'cause I won't wait  
But I won't break  
'cause...

Waiting alone in the darkness  
Smiling and falling  
Too frightened to say  
We can't live this way  
We can't still obey  
When all's come to nothing  
Who can still wait?

Lost in endless days  
Waves that never break  
And you walking on by  
You can't deny  
You're making no change  
Oh, you walking on by  
I couldn't speak  
'cause neither am I
