I've been on my own all day
With Al Green and Marvin Gaye
Waiting for rewind to play
I'm anticipating
Mood swings Al sings once more
Everything is changing
You've played mind games before

I thought there'd be fireworks
I expected changes
I thought there'd be trumpets
Sweetest soul sensations

I've been on my own all day
Nothing seems to be OK
Blue eyed soul has turned to grey
Everything reminds you
Love brings mood swings love hurts
Every time I try to hold back or get in
You slam doors

I thought there'd be fireworks
I expected changes
I thought there'd be trumpets
Sweetest soul sensations

Sitting on my own as I
Draw the blinds
Reaching out for someone to compromise
Al was letting go as we start to fight

I thought there'd be fireworks
I expected changes
I thought there'd be trumpets
Sweetest soul sensations
