I got picked out at the FBI  
Now look at me I'm a Russian spy  
I won a raid on the Russian land  
I come for your family with a gun in my hand

My name is codename Peabrain  
My mission is revenge

The I've got I'm gonna make 'em see  
Cuz I'm setting bombs for the KGB  
But there's a gold raid at the treasury

Stole a couple of million and it's for me

My name is codename Peabrain  
My mission is revenge  
My name is codename Peabrain  
My mission is revenge

Codename Peabrain GO!  
Codename Peabrain GO!  
Codename Peabrain GO!  
Codename Peabrain
